

Council on Rehabilitation Education

# *CORE Accredited Undergraduate Programs in Rehabilitation and Disability Studies 2016-17 Academic Year*

**Candidate for Accreditation:** Granted to programs in the early stages of development or implementation, up to the point of graduating ten (10) students. This accreditation provides evidence that a program complies with those standards applicable at the program’s stage of development. Programs accredited at the candidate level are noted with an asterisk.

**Accreditation:** Granted to programs that have been fully operational long enough to allow for the objective assessment of the professional performance of graduates. This accreditation provides evidence that a program complies with all standards and is deemed able to maintain that level of compliance through the duration of the accreditation.
